

Jackie Tansey birthday song
by Steve Long in celebration of Jackie's 80th birthday (August 28, 2014)

Happy Birthday, Jackie
Can it really be?
Doesn't seem quite possible
That you're turning eighty

Thanks for all you do dear,
For your family far and near,
Our church family is mighty blessed
By your service, grins and years

Make this next year a great one
Keep witnessing just right
You help us see just how to live
Turning darkness into light

So have a happy birthday
Knowing people all around
Are wishing you a wonderful day
With family and friends all around!
